

Limited Warranty Certificate

MCCOWN TECHNOLOGY CORPORATION guarantees that every new Machine and Accessory is free from defects in manufacturing and / or workmanship.

The warranty period is 12 months from the date of delivery or registration as stated in the 'Delivery Report' transmitted by MCCOWN TECHNOLOGY CORPORATION.

Any other form of implicit or explicit warranty provided by a third party is excluded.

Under this warranty, MCCOWN TECHNOLOGY CORPORATION is obligated to restore the efficiency of any defective part due to a manufacturing defect by repairing it or replacing it with original parts, free of charge.

All warranty-related work during the warranty period must be performed by an authorized service provider with the approval of MCCOWN TECHNOLOGY CORPORATION and includes the free repair or replacement of the faulty part.

Third-Party Warranty

Some components installed on machines or accessories produced by MCCOWN TECHNOLOGY CORPORATION (for example, but not limited to, engines and hydraulic components), may be covered by the third-party manufacturer's warranty directly.

Exclusions

This warranty does not cover defects or malfunctions caused, in whole or in part, by:

- a) Modification, repair or disassembly of the machine by unauthorized third parties not approved by MCCOWN TECHNOLOGY CORPORATION.
- b) Failure to perform the maintenance prescribed in the machine's operation and maintenance manual.
- c) Changes to the machine without the prior permission of the manufacturer.
- d) Carelessness, accidents, delayed notification of defects, improper use of the machine, repairs with non- original parts, or damage caused by prolonged use of the machine in a faulty condition.
- e) Alterations to the machine.

Normal wear and tear of the components and the defects caused by them are not covered by this warranty.

Specifically, this warranty excludes wear items such as tires, blades, the replacement or topping up the oil and other fluids, filters, belts and lamps.

This warranty is void if the fault was not reported within thirty days of its occurrence. Additionally, this warranty does not cover factors beyond the manufacturer's control, including:

- a) Improper use of the machine, overloading, or prohibited actions listed in the machine's use and maintenance manual.
- b) Incidents such as collision, fire, theft, etc.
- c) Alterations, modifications, tampering, or failure caused by attempted repairs performed service providers not approved by MCCOWN TECHNOLOGY CORPORATION.
- d) Damage or surface corrosion caused by the environment such as acid rain, exposure to corrosive or saline environments, chemical products, natural disasters etc.
- e) Damage resulting from improper maintenance or operation with incorrect fuels and oils.
- f) Normal wear and tear including discoloration, warping, fading, blurring, etc.

Customer Responsibilities

The customer is responsible for:

- a) Routine maintenance services such as cleaning, polishing, lubrication, topping off fluids, oil changes, and the replacement of coolant, filters and seals.
- b) Costs associated with "Scheduled Maintenance Services" or additional expenses and damages, including but not limited to financial losses due to machine downtime, the cost of renting replacement equipment, accommodation, travel expenses, lost profits, and any other associated costs or damages.
